Home Health Services of Highland District Hospital Named as a Nationally Elite Agency

Hillsboro, Ohio – November 5, 2019- Home Health Services of Highland District Hospital has once again been given the distinct honor of being recognized nationally as a HomeCare Elite agency. HomeCare Elite honors the top-performing agencies in the United States as measured by five categories: quality care, best practice implementation, quality improvement and consistency, patient experience, and financial health. Out of over 8,800 agencies considered for this honor, only 2,200 are chosen and meet the criteria set forth to earn the highest rank of elite. Home Health Services of Highland District Hospital is very familiar with this prestigious distinction, as they have received this nationally recognized award eight times in the last 14 years. “Our number one commitment is to our patients- they are considered first in every circumstance. We partner that consideration with seasoned employees who are passionate about their work, who go above and beyond to help their patients, and truly love what they do. That passion is what sets us apart,” stated Home Health Services manager, Hazel Smith. Home Health Services of Highland District Hospital offers patients care within their home that includes skilled nursing, physical, occupational, and speech therapies, social services, IV therapy, wound care, and patient education. They service portions or all of the following counties: Highland, Adams, Pike, Ross, Fayette, Clinton, and Brown.
