## **Highland District Hospital Names New Vice President of Operations & Chief Operating Officer**

**Hillsboro, Ohio, May 26, 2022-** Highland District Hospital is pleased to announce Eddy Maillot has been named the new Vice President of Operations and Chief Operating Officer of the organization.

Maillot brings 20 years of hands-on, rural health care experience to Highland District Hospital, first working directly with patients as a physical therapist and managing the therapy center of Whitman Hospital and Medical Center in Colfax, Washington for 12 years. He then transitioned into his most recent position at Appalachian Regional Healthcare System in Boone, North Carolina, where he was appointed the Senior Director of Clinical Service Lines for eight years. While there he also served as the Interim Executive Director of Appalachian Regional Medical Associates for two years.

His significant experience and success in performance management, quality enhancements, and operational effectiveness has established him as a prominent healthcare system leader among peers.

The logo for Highland District Hospital features a stylized orange and yellow arch above the text "HIGHLAND DISTRICT HOSPITAL" in a blue, serif font.

In his role with Highland District Hospital, he will provide support and leadership to the Clinical Operations team within the hospital which includes services that report to the Directors of Nursing, Professional Services, and Physician Services.

“We are very excited to welcome Eddy and his family to Highland County. His remarkable level of experience and success will no doubt be an asset to our organization and community,” stated Tim Parry, President & Chief Executive Officer of Highland District Hospital.

Maillot completed his Bachelor of Science in Life Sciences and his Master of Physical Therapy both at Loma Linda University, and obtained his Master of Business Administration and Healthcare Management from Gonzaga University. Eddy and his wife, Sydney, have triplet daughters, Emilie, Chloe, and Jenna who are all in college. They are eager to move to Highland County and look forward to fishing, hunting, hiking, and exploring the area’s parks and lakes.
