HDH Employee Receives Leadership Award Recognition

July 11, 2017, Hillsboro, Ohio- Highland District Hospital is proud to announce that Peggy Fleming was nominated for The Healthcare Leadership Award Class of 2017. This award honors the region's leading healthcare professionals who strive to improve, not only the everyday lives of their patients and colleagues, but their community as well. This award recognizes those whose invaluable contributions to their organization, as well as their personal leadership characteristics, cultivate a thriving and progressive community. Peggy was nominated by Dr. Regina Melink, for her dedication and passion for excellent patient care as a nurse aide. "Every patient Peggy touches is physically, emotionally, and spiritually better from the encounter," stated Dr. Melink.

“Peggy is one of my personal heroes.” Congratulations, Peggy, and thank you for 15 years of impactful service at Highland District Hospital.
