## **Highland District Hospital Welcomes New Cancer Care Physician**

**Hillsboro, Ohio, August 31, 2020-** Highland District Hospital welcomes Dr. Ranga Brahmamdam to its Cancer Care & Hematology team which has been servicing Highland and the surrounding counties for over 25 years. Led by renowned physician Dr. Regina Melink, this program expansion adds the expertise of Dr. Brahmamdam who has been a Board Certified Oncologist and Hematologist for over 30 years. Dr. Brahmamdam completed his medical degree at Guntur Medical College in Andhra Pradesh, Guntur, and continued his Internal Medicine residency at Columbia University in New York. Following his residency, Dr. Brahmamdam accomplished his Hematology and Oncology fellowship at the University of Cincinnati, where he studied alongside Dr. Melink. During his 30 years of practice, Dr. Brahmamdam worked with the Veterans Affairs organization as a physician and a volunteer and was an instructor for the Good Samaritan Residency program in Internal Medicine. Additionally, he worked for the TriHealth Cancer Institute in clinical trials of oncologic medications and various treatments for patients suffering from leukemia, lymphoma, and breast cancer conditions. That work steered him to Good Samaritan Hospital where he was named the Director of the Leukemia Program and led the inpatient hematology program. Appointments can be made with Dr. Brahmamdam by calling Highland District Hospital Cancer Care & Hematology at 937.393.6272.
