Hillsboro, Ohio, May 2, 2019- Highland District Hospital and Highland Health Providers have officially opened the doors to a newly built medical office space at Rocky Fork Lake. Rocky Fork Medical Center, with nurse practitioners Marsha Mitchell and Pam Knisley, is open six days a week and is accepting new patients, as well as walk-in visits. The 2,720 square foot, fully-staffed office currently offers patients of all ages convenient access to care, including a procedure room and lab draw capabilities, and will soon provide radiology services. A ribbon cutting ceremony and open house was just held to commemorate the new office space, which broke ground in October 2018. For more information, or to schedule an appointment, contact the office at 937.402.5491.
